

February 4<sup>th</sup> 2019

Dear Preschool Canada:

On behalf of the children, staff and families of the Paediatrics Unit at the Brampton Civic Hospital, I would like to thank you for the wonderful visit and generous donation over Christmas. The Christmas Season has always been, and continues to be, a very busy and exciting time on our Paediatrics unit.

Without your support it just wouldn't be the same.

As you may know, the Child Life Program runs a number of recreational programs and special events and activities and relies greatly on the community to help lift the spirits of our small patients, especially over Christmas. Your amazing donation and visit certainly did so.

Again, I thank you for your thoughtfulness and continuous support.

Sincerely

**Josie Condo-Parnis** | **Child Life Worker**, Paediatrics  
William Osler Health System, BCH
